In retaliation for my Federal Lawsuit at the "United States District Court - Eastern District of Texas - Tyler Division" with "Case #: 6:22-cv-00006-JCB-KNM"; FNP-Jackie Gregory, under the authority of the Director of Correctional Health - Jaye Escobar, "suddenly" here on Robertson Unit, goes on my medical file without me being present whatsoever and deliberately put an end to all my "Medical Passes" for: Cane/BioSkin-Knee Support/No Cuff Behind Back; that I have had continuously since the start of 2018 because of very serious injuries sustained to my: right leg/right knee/right foot & ankle/back/right shoulder/right arm/right forearm/right hand/neck/head/ribs/etc. of which are all very well documented throughout my medical records going all the way back to December 10th, 2014 up til now and from February 13th, 2018 up til now... Because of this retaliation & harassment against me by FNP-Jackie Gregory, Sgt. Brandon T. Pulliam came to my cell with two Correctional Officers and threatened me with a Use Of Force with a 5 Man Team & Chemical Agents if I did not give him my Cane and Knee Support so I gave it to him and they left... Obviously this Extreme ignorance committed against me by FNP-Jackie Gregory is in conspiracy against my rights with Defendants in the forementioned Federal Lawsuit which means that Wardens: Jennifer S. Cozby/Raleigh W. Breeden/Penny K. Dickerson surely know about the forementioned Lawsuit along with others on Robertson Unit who are in Leadership positions like: Unit Grievance Supervisor/Majors/Medical Supervisor/etc... Why else would FNP-Jackie Gregory suddenly go and access my medical file behind my back and violate me and disabilities under the Americans with Disabilities Act, commit Medical Malpractice against me, and show very

deliberate indifference to my serious medical needs all at the same time out of nowhere. And FNP-Jackie Gregory also stopped my Hypo-Snack and changed my Medical Diet of "No Beef/No Pork" to a regular diet forcing me to eat meat that has the highest uric acid content which is bad for my liver and kidneys especially when I deal with several adverse medical issues simultaneously so her negative actions against me make me believe she is also tampering with my medical file even worse than what is obvious to me so far that she has done with evil intentions & evil motives against me when I am a Plaintiff in a major Federal Lawsuit and I am still sick since at least January 31st, 2022 up til now coughing stuff out of my lungs with occasional blood specks & green spots. ~~Action Requested to resolve your Complaint~~ Return my Cane & Bioskin Knee Support and renew my medical passes. ~~Protection from FNP-Jackie Gregory permanently and reversal of all her negative actions against me.~~ Step conspiracy against my rights because of my Federal Lawsuit forementioned.

SUBJECT: State briefly the problem on which you desire assistance.

FNP-Jackie Gregory, on March 1st, 2022 suddenly without me ever being present before her at any given time, goes on my medical file and goes on a rampage violating me and my disabilities under the Americans with Disabilities Act and committed major medical malpractice against me while also showing very deliberate indifference to my very serious medical needs all at the same time in a conspiracy against my rights with the Defendants of my Federal Civil Lawsuit at the U.S. District Court - Eastern District of Texas with Case #: 6:22-cv-00006-JCB-KNM in retaliation for that lawsuit which I know very well that Leaders here on Robertson Unit know about very clearly.
